BISBEE HIGH IN ATHLETICS FIRM

School Requires Meritorious Work as Qualification or Eligibility Test for Participation in Sports

MUST PASS SUBJECTS

The Bisbee High school for three years has required meritorious work in school as a qualification or eligibility test for athletics," said School Superintendent C. F. Philbrook last night, when informed that Principal Steele of the Tucson High school had completed eligibility regulations that had been formally put into effect at the Tucson High school.

The Tucson Citizen states that an agreement to have a uniform eligibility rules for all High school athletics was reached at a meeting of High school principals at Phoenix recently, adding that "it was agreed that a High school athlete had to be passing in three major subjects in order to enter athletics."

Philbrook Talks

Professor Philbrook, who attended the Phoenix meeting, stated to the Review that so far as he knew the matter of uniform eligibility rules was not discussed at the recent meeting at the state capital.

Principal Steele was made a member of a committee to form such regulations at the meeting of teachers at the state university at Tucson last April," said Professor Philbrook, "though I had not learned that he had reported. I am inclined to believe that his report has been prepared and that he is applying it to his school in the interim before the next meeting of the teachers, when his committee will report."

Bisbee Has Rules Strict

"Bisbee has had strict eligibility rules for three years since it became a member of the Southwestern Athletic association, that being one of the requirements of the association. Its membership includes El Paso, Bisbee, Douglas and New Mexico schools. I am not sure if Tucson is a member but I believe that it is."

Frankness.

"When we speak of the hope of competition by which we live we can at least do so gravely and frankly. . . we are too apt to turn the edge of disagreement by banter; too apt to shrink away from what we really most care to say. . . or to hear through dread of a smile; too ready to distrust our own sincerity because of the inevitable ebb and flow of our feelings and so to throw a veil of something like cynicism over the subjects we feel most sacred."—Caroline Stephen.

HE'D LIKE TO MEET AD WOLFGAST AGAIN

Battling Nelson.

Battling Nelson has visions of a return match with Ad Wolfgast. The Dane declares he will never voluntarily retire from the game until he has the privilege of one more crack at the lad who took the championship from him. Nelson thinks Wolfgast has dodged him because he fears the result of another mill.

But has been signed up by a New York sporting club for a fight in New York about the middle of the month.

DOUGLAS GOLF CLUB PLAYS ELIMINATION

Surprise in Contest on Links Is Feature of Preliminary at the Country Club

At Douglas the second series of the Golf (championship) elimination contest was played Sunday on the country club links and created much interest among the players. It resulted in a number of surprises and one of the highest ones was the defeat of Strappi, last year's champion, by Badger. Their score was two down and one to go.

Dr. Tuttle very unexpectedly defeated Joe Sexton, who is the El Paso champion, with a score of three down and two to go.

W. Smith defeated Best with a score of five down, much to Best's disappointment.

The match between Robert Ras and Mack Smith was very close and Smith holed out on the last green by a 12-foot putt for a 4.

Carl Smith, much to the surprise of all, managed to scratch out Toledo man. In the next match he will meet his brother Wash, who the majority of the players believe will defeat him.

Next Sunday the second round of the championship contest will be played and the lineup for the day will be as follows:

Rice meets Badger.

Forbin meets Drake.

Smith, T. M. meets Dr. Tuttle.

Smith W. L. meets C. L. Smith.

Word and Deed.

"My dear girl," said her mother-in-law, "any woman would be satisfied with what John says he gives you." "So would I,"—Puck.

Germany's Fastest Trains.

The fastest distance trains in Germany are the Berlin-Hanover-Dortmund express, which covers 235.04 miles with only three stops, at an average speed of 58.55 miles an hour; the Odenberg-Breisau-Berlin express, 218.90 miles with four stops, at 58.14 miles an hour; the Berlin-Königsberg express, 268.61 miles with three stops, at 49.70 miles an hour.

BISBEE TO VIE WITH TUCSONS

Old Pueblo High School Must Defeat Copper City Eleven to Win Gridiron Championship

RIVALS HAVE RECORD

By reason of the victorious march of the Tucson High school football team through the northern part of the state, the state High school football championship is narrowed down to Bisbee and Tucson. Tucson, because of its defeat by the local team last Saturday is relegated to the woodbine country, leaving Bisbee the sole contender from this part of the new state.

Tucson has all the best of it when it comes to practice, the story that makes perfect. The Old Pueblo team has met the Phoenix High school team twice and put the Indian sign on them both times. It has also defeated the Indians and the University of Arizona second team.

Bisbee Not Boasting

Bisbee on the other hand has only played one game, that of last Saturday. While the Bisbee players lay away with that game they are not boasting of the victory. The stamina of the mountaineers must make up for the lack of experience for the local team. It has won games for them before and it may do it again. Here is what Tucson's record looks like:

Tucson High 41, Phoenix High 6.

Tucson High 7, Phoenix Indians 6.

Tucson High 22, U. of A. Scrubs 6.

Tucson is Also in Lead

Tucson has also defeated the Phoenix High in a second game. The Old Pueblo lineup will be practically the same as last year, so each one of the players is a seasoned veteran. Meyers, at full back and Peterson, playing an end position, are stars and between them they have some pretty forward passes to their credit. The team uses the Michigan style of play, consisting of trick plays, delayed passes and forward passes. It is said that they will considerably outweigh the Bisbee team, the average for the team being 145 pounds.

No one of the Bisbee team regards the game last Saturday with Douglas as a test and practice this week is going ahead with more vim and enthusiasm than before the Douglas game. There are a number of new men on the local team and they deserve credit for the determination they exhibit. The team as a machine is somewhat slow and lack of hard tackling and aggressiveness has characterized their playing so far.

Champion May Play

It will be good news to the supporters of the local team to know that F. Champion, who starred in an end role last year, may be back in the game for the Tucson encounter. He has been suffering from a sprained ankle, which placed him temporarily on the retired list. He is one of the swiftest ends in the southwest.

Another factor that has tended to weaken the locals is strict adherence to the eligibility rules. This is no handicap, however, and the Tucson High school has the same set of eligibility rules, being the only High schools in the state to make them. Under the head of the Bisbee and Tucson schools other High schools of the state are gradually being forced to meet the same standard.

Captain Youkum, of the Bisbee "H" has proven a good general in the contests to date. He not only works his team hard but is a consistent ground gainer himself. Verfurth, one of the new men on the team, showed up well Saturday. Medigovich, also a new man, played an aggressive defensive game. McCullough, who played tackle last year, is making good as a half back this year.

WORK BEGINS ON DOUGLAS NEW DEPOT

El Paso and Southwestern Railroad Completes Survey

The site for the new depot to be erected by the El Paso and Southwestern system at Douglas has been surveyed and the stakes driven. A spur track has been ordered which will carry material to the site as it arrives.

The new depot will be due north of the present old one and will sit just south of the present county road leading to Bisbee.

The county road will be moved south at this point and the main line of the railroad will be laid on the old road.

The cost of the new depot is estimated at \$175,000 and it will be erected by an El Paso contractor.

Speaking of new depots a rumor was encountered in Bisbee last week which said a new depot for the line was among the possibilities of the near future.
